

Royal Information Solutions

Royal Shredding is now a member of the Royal Information Solutions Group.

Royal Information Solutions is comprised of three member companies; Royal Shredding, Shur Lok Records Management, and RISE. Through Royal Shredding and our sister companies, you may now access the following information services:

- on-site Certified document destruction
- records management
- hard drive destruction
- secure transportation
- file storage
- product destruction
- off-site shredding
- shredding of CD's, DVD's, tapes, and other electronic media
- shredding of uniforms and flags

The intention of Royal Information Solutions is to become a completely integrated, full service institution providing all confidential information services to our clientele. To this end, there are a number of other services being developed within our group for your benefit. The transferral of paper documents to a fully searchable digital format should be available soon. We are also exploring the possibility to providing off-site digital storage for our clientele.

Should you have need of any Information Service, please contact us. Royal Information Solutions will do our best to find the right solution for your particular need.
